

Ready, Set, Project!!! - Just one Month Away . .

Volunteer Opportunity

2nd Annual E3 Dynamite Dinner Volunteers Needed!

When: Friday, October 17th 5 - 10 pm at
Etiwanda Gardens

Last year was such a huge success - we raised \$32,000 for the Etiwanda School District. You have an opportunity to volunteer to help us this year and a commitment from you on this *one* night would be SUPER!

We are recruiting volunteers to help at the 2nd Annual Dynamite Dinner. This dinner event will be at the beautiful Etiwanda Gardens. It will be a night of guaranteed fun, work and service! We need your smiles, flexibility, and great attitudes! Aprons will be provided.

Remember -- the E3 Foundation is a volunteer organization. Our mission statement is: Enhancing the high-quality well rounded education for all students in the Etiwanda School District. This education is provided by the teachers, principals and support staff of the ESD. We would like to surpass our fundraising from last year - you can help!

If you are interested in helping with this event, please respond to me or our volunteer coordinator, Tami Sipos at tsipos@mjrccpas.com

*Thank you,
Susan Todd*
