

Buy a Commemorative Brick - Leave a Lasting Impression

E3, the Etiwanda Excellence In Education Foundation, invites you to leave a legacy for your child, family, classroom or as an honor for a teacher or special person. Custom, laser-engraved bricks will be installed along the entrance walkway to the District Education Center and unveiled at the Etiwanda Education Center dedication in the fall of 2008. In addition to honoring someone in a very special way, you will also be supporting the outstanding educational programs in the Etiwanda School District by purchasing a brick. All profits from this project will directly benefit the students of the district.

Laser engraving will not fade, erode or chip away – leaving a lasting impression for those you wish to celebrate, recognize or honor with a brick. Each 4” by 8” brick can include up to 3 lines of custom text with 20 letters per line. The cost for a custom engraved brick is \$100. For an additional \$20, you can also purchase a small replica of the brick with the same custom engraving. A replica brick makes a great keepsake or paperweight for the individual or group you would like to honor!

To order a brick, please use the order form on the reverse side of this flyer. Bricks must be purchased by **June 13, 2008** to be included in the dedication of the remodeled Etiwanda Education Center in fall 2008. All brick donors will be notified of the date and time of the dedication ceremonies.
