E3 Dynamite Dinner -- Servers Needed!

Friday, October 19th

5:30 p.m. - 10:30 p.m. at Etiwanda Gardens

This is our biggest event yet and a commitment from you on this *one* night would be **SUPER!**

We are recruiting volunteers to serve dinner to our invited guests. This dinner event will be at the beautiful Etiwanda Gardens. It will be a night of guaranteed fun, work and service! We need your smiles, great attitudes and ability to balance a plate full of food! Aprons will be provided.

Remember -- the E3 Foundation is a volunteer organization completely dedicated to enhancing the education that the teachers, principals and support staff provide to our students. We want to raise enough money to give each school an LCD projector.

If you are interested in helping with this event, please respond to me or our volunteer coordinator, Rhonda Keliipio.

Thank you,

Jeff Sipos
